Subject: Expediting Training Provided October 19, 2007

Dear David and Raymond:

Please allow me to express my appreciation for facilitating the expediting management training session for CB&I's Expeditors. The material you covered was appropriate for our industry and the positive response from my team was overwhelming. Several people indicated this was the best third party training on expediting they have attended.

I look forward to our future training sessions with Expediting Management Association and the certification of CB&I's Expeditors.

Sincerely,
